

# OMNIA

From detail  
comes beauty

Product:  
Bay Windows,  
Casement Windows  
and Residential Door  
Colour:  
Anthracite Grey

# Innovation reinvented

OMNIA is no ordinary window profile. It is a trailblazing, quantum leap in PVCu windows and doors fabrication.

With OMNIA we are setting new standards for design, efficiency and security, ensuring spaces not only meet but exceed the expectations of tomorrow's building regulations.

Product:  
Casement Window  
with zero sight line mullion  
Colour:  
Sage

# Designed for you.

Your home is an extension of you.  
Your space to express your own ideas  
and aesthetic style. Every detail counts.

And that's where OMNIA fits perfectly.  
Slimline, stylish, energy efficient and secure.  
OMNIA promises all this and more.

Every style covered.  
Every idea perfected.  
Every detail crafted.

All the details beautifully combined.  
All with you in mind.

Product:  
Casement Window  
Colour:  
Anthracite Grey

# Beauty in form.

*Slim. Elegant. Stylish.  
With a sleek profile  
and a flush fit.  
Inside and out.*

Everything about OMNIA is beautifully designed.  
Corners that emulate traditional timber joints.  
Trims and beadings that echo contemporary styles.  
Clean, uncluttered lines that are elegant and understated.  
From tilt and turn windows to French doors.

All with more glass and less frame.  
So you can bring light and air into your home. Beautifully.

Product:  
Casement Windows and  
Outward Opening French Doors  
Colour:  
Agate Grey

*We've designed more than five decades of market-leading experience and expertise into OMNIA.*

# Beauty in function.

## OMNIA is designed for durability and performance.

Expect exceptional thermal and acoustic properties when glazed with triple (0.75 w/m<sup>2</sup>K), double (1.2 w/m<sup>2</sup>K) or single glazed units. Benefit from augmented weather protection thanks to the double-rebated frames. And enjoy windows that glide open smoothly and close securely. OMNIA frames are also compatible with a wide range of precision engineered fixtures and fittings for quality windows that can last a lifetime.

We've designed more than five decades of market-leading experience and expertise into OMNIA.

So you can save energy and feel secure, without compromising on style.

Product: Outward Opening Residential Door  
Colour: Black Ulti Matt

Product: Bay Window with Side Opening Casements  
Colour: White Woodgrain

# Every detail considered.

With OMNIA, the real beauty is in the manufacturing details. Using insights from leading fabricators, we've produced a comprehensive, true Double Flush suite that blends the time-tested features you expect from VEKA with pioneering thinking that will revolutionise your approach to window fabrication.

### Invisible mullions

OMNIA windows can be constructed with invisible mullions, maintaining a sleek and unobstructive aesthetic both inside and out.

### Mechanical jointing

OMNIA provides versatility and compatibility with leading jointing methods, offering enhanced structural integrity and long-lasting performance.

### Rider block mechanism

Streamlines the assembly process, saving time and effort during installation.

### 70mm frame depth

A quick and simple retrofit solution offering greater flexibility, with hassle-free replacements or upgrades without extensive modifications to existing structures.

### U Value as low as 0.75

OMNIA will deliver exceptional thermal efficiency, enhancing overall comfort and wellbeing of building occupants, while also contributing to sustainability efforts and regulatory compliance.

### Beading options

Provides design flexibility to accommodate diverse aesthetics preferences, ensuring your windows and doors seamlessly blend with the surrounding environment.

### PCE gaskets included

The PCE is co-extruded to the OMNIA profile during the manufacturing process, streamlining workflows and ensuring consistent quality across all installations.

### Double rebates

The ultimate performance in sealing the aperture against the elements, providing superior weather resistance and durability.

Residential Door  
Colour:  
Black Ulti Matt

# Outstanding performance.

It goes without saying that OMNIA is designed with the highest industry standards in mind.

The profile has been rigorously tested to ensure it meets industry norms for security and weather performance, and features the latest kitemarks.

### Weather performance

Tested to  
BS 6375 parts  
1, 2 & 3

### Enhanced security

PAS 24

### Thermal performance

As low as  
0.75 U Value

# Style without compromise.

**OMNIA combines the perfect balance of timeless elegance and 21st century performance.**

It's the reason these windows fit so beautifully into every style of property.

Townhouse or country cottage. New build or renovation. Heritage or contemporary. With OMNIA you can enhance your property with pioneering windows and doors that add exceptional value and style. And make a real design statement.

Because when you get all the details right, everything comes together beautifully.

# Feinstruktur

Style with strength

## STYLISH AND STRONG

Feinstruktur [*fine structure*] is a decorative foil that offers the very best of both worlds; the practicality of a durable premium finish, with a finely-textured surface that mirrors the sophistication of powder-coated aluminium.

### HARD WEARING AND ROBUST

Feinstruktur has a very hard-wearing surface that offers protection against knocks, scratches, and stresses during transportation, installation, and life in the home.

### RESISTS HARSH CHEMICALS

This durable and elegant finish is resistant to chemicals, including cleaning agents and alcohol. Cleaning is effortless and any hard to remove dirt can be removed with ease.

### REDUCED THERMAL ABSORPTION

The infrared-reflecting pigments of Feinstruktur significantly reduce thermal absorption, keeping the frame free from warping or twisting so it maintains its shape.

### SUSTAINABLE AND RECYCLABLE

Feinstruktur is made from sustainable raw materials and is fully recyclable, creating a high quality product that you know can be recycled.

# DELIVERING MORE THAN ALUMINIUM EVER COULD.

With VEKA's systems and Feinstruktur foil finish, you get the premium look of aluminium with all the thermal advantages of PVCu – a clear winner for modern energy conscious homes.

REDUCED THERMAL  
ABSORPTION

DOESN'T REQUIRE  
THERMAL BREAK
